Subject: Request for Your Good Wish Message for Our Puja Website

Respected Sir,

Warm greetings from the 91st Sarbajanin Sri Sri Durgapuja & Badha Dasain Samaroh Samiti, Bandarguri.

It gives us immense pride to share that our committee, which began its journey back in 1935, has now completed more than nine decades of celebrating Durga Puja and Badha Dasain with devotion and togetherness. Over the years, the celebration has not just been a religious occasion but a festival of community bonding, cultural exchange and expression. It has helped building harmony in our society.

As we step into the 91st year of our celebrations, we are creating an official website to save and share our historical journey, memories and activities with greater audience. It is our small effort to carry forward the legacy of unity and culture that our elders built.

Sir, it would be our great honour and privilege if we could feature a message of goodwill from you on our website. Your encouraging words will inspire our committee and also bless the entire community who looks forward to your guidance and support.

We hope you will kindly spare a few moments to send us your message.

With Gratitude.
